JOIN THE ETJMS PTA

Please join the ETJMS PTA. PTA membership is open to everyone who would like to help our school and our children: parents, guardians, grandparents, friends, and community members. The money is used for state PTA dues, activities the PTA sponsors through out the year, 8TH grade graduation, 6th grade social, school enrichment programs and more. Check out pta.org for discounts.

To give your support, simply complete the form below, include your payment, and return the bottom portion to the school in an envelope marked PTA Membership.
