Dear Middle School Band Student and Parent(s)/Guardian(s):

Your school band has been selected to participate in a study that is being completed by a graduate student at Post University. The study consists of a short Web-based survey (approximately 10-12 minutes) that is focused on gathering middle school band student perceptions about effective teaching qualities, motivation, and the use of technology in studying music.

Your participation and responses are completely confidential and anonymous. Your name will not be entered anywhere on the form.

Your response and time is greatly appreciated. Thank you for taking the time to contribute your opinions that will lead to new insights in the field of music education and the study of student motivation.

Students - To participate you simply need to access the survey using the link provided here. **If you are choosing to participate, please complete the survey by Sunday, November 25, 2012.**

Parents - If you do not wish to have your child participate in the survey, please disregard this letter.

Sincerely,

Jason Hart
